

SOCIAL AND PERSONAL  
CLINTON HAPPENINGS

Many Things of Interest About the People of the Neighboring Town.

Clinton, May 11.—Tuesday afternoon Miss Ola Young entertained the Cecilian music club at a lovely party. The house was beautifully decorated in sweet peas and roses. A very interesting program was carried out by Miss Mary Marion, Miss Julia Neville and Miss Inez McCraw and Miss Jane Kennedy after which each guest was given 15 letters and asked to make as many terms in music as possible with the letters. Several cut for the prize but Miss Julia Neville cut the lucky number. A delicious salad and sweet course was served by Misses Emmie and Elizabeth Young.

An approaching marriage of much interest here and elsewhere in the state will be solemnized on June 23rd, when Miss Jane Kennedy and Dr. W. C. Harper will be joined in wedlock.

## TO LAY CORNERSTONE.

Interesting Exercises to be Held at Mountville Friday Afternoon at 4 O'clock.

Interesting exercises incident to the laying of the cornerstone of the new Mountville high school building will be held Friday afternoon at 4 o'clock. A number of prominent gentlemen have been invited to make addresses, among them being Supt. of Education J. H. Sullivan, R. E. Babb, Esq., member of the county board of education, and Mr. Geo. L. Pitts. The Laurens Quartet will also be present to sing several selections.

The school building is now almost completed, only lacking finishing touches on the interior. The building itself, unfurnished, cost over \$7,000 and is one of the most beautiful as well as convenient school buildings to be found anywhere. Several committees from other school districts have visited Mountville to inspect it and after comparing it with those of adjoining counties have singled it out as being the one most nearly approaching a model for communities of that and even a larger size.

Friday night following the cornerstone laying, a musical entertainment and box supper will be given in the school building for the benefit of the improvement association. The Laurens Quartet will render a program of varied character, including sentimental as well as humorous songs and skits. The quartet has already visited a number of other schools on a similar mission and have proved very popular attractions wherever heard. The public is invited to attend both the exercises in the afternoon and the entertainment at night.

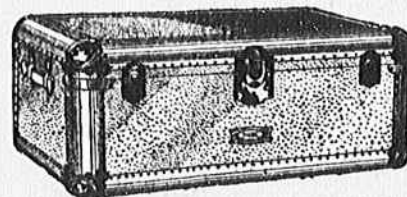

## Health a Factor in Success.

The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated.
